EXPERIENCE

Childcare Professional

Philadelphia, PA, 2018 - 2022

- Planned engaging age-appropriate activities and maintained a structured daily routine
- Used critical thinking and goal-setting methods to help children aged 0-4 years meet all developmental milestones, ensuring 100% success
- Updated clients on their children's progress with daily written logs, photos and meetings

Administrative Assistant & Intern

City of Philadelphia Mural Arts Program, 2016 - 2017

- Complied student data reports and organized enrollment forms for over 200 students, establishing accurate records for the after school program
- Composed weekly site reports of 15+ locations throughout Philadelphia for the Administrative Manager, ensuring sites operated properly
- Prepared students for travel to Cardenas for the Cuba Cultural Exchange Project by contacting airlines and hostels, researching methods to transport supplies, and gathering parental consent forms, resulting in students' safe travel and successful project
- Served as Content Editor for MAP's 2017 Environmental Art Curriculum Guide, providing a detailed overview of the program for students, parents and instructors

Preschool Teacher

Chesterbrook Academy, 2015 - 2018

- Prepared and implemented lessons for multiple classrooms of up to 22 children, focusing on skills like language and literacy, creative expression, mathematics and digital interactions
- Performed essential duties under pressure and effectively adjusted to unforeseen circumstances, while adhering to safety guidelines and health standards
- Assisted Director with various front desk tasks, such as answering phones and responding to parent inquiries, warranting smooth operations in the administrative department
