Kristin Arcidiacono
User Interface Designer

⊙ Philadelphia, PA & Remote

I'm a UI Designer with Frontend Development skills & a BFA. I love using my creativity to bring a personalized touch to beautiful, accessible & user-centered designs.

EXPERIENCE

Visual Designer & Commission Artist
Freelance | Philadelphia, PA & Remote | 2018-Present

- Brainstormed with clients to establish their artwork needs, including discussing their vision, gathering reference materials & determining the appropriate medium, ensuring customer satisfaction
- Defined project requirements, ideated layout, & used tools like Figma, Adobe XD, Photoshop, Gifski & Atom to design the interface for a small artist collective website, while keeping client updated (in progress)

Administrative Assistant & Intern
Mural Arts Program | Philadelphia, PA | 2016-2017

- Complied student data reports & organized enrollment forms for over 200 students, establishing accurate records for the organization
- Prepared students for the Cuba Cultural Exchange Project by contacting airlines & hostels, researching methods to transport supplies, & gathering parental consent forms, resulting in project success
- Served as Content Editor for MAP's 2017 Environmental Art Curriculum Guide, providing a detailed overview of the program

Preschool Teacher & Childcare Professional
Chesterbrook Academy | Philadelphia, PA | 2015-2018

- Used goal-setting methods to help children aged 0-5 years meet all developmental milestones, ensuring 100% success
- Prepared & implemented lessons for multiple classrooms of up to 22 children, focusing on skills like language, literacy, creative expression, mathematics & digital interactions
